September 1, 1955	"	297 to 370	December 8, 1955	"	919 to 992
September 15, 1955	"	371 to 444	December 22, 1955	"	993 to 1066
September 29, 1955	"	445 to 614			

Subject Index

- ACCOUNTING,**
Accelerated depreciation, 49, 264, 810, 889, 948, 952, 977, 1029.
NARUC report on liberalized depreciation practices, 889.
Union opposes accounting proposal affecting charitable contributions, 329.
- AIR CARRIERS,**
American Bar Association report on recent developments affecting air carriers, 536.
- AIR CONDITIONING,**
Competition in air-conditioning industry, 648, 967.
Gas has future in industry, 882.
- AMERICAN BAR ASSOCIATION,**
Addresses at annual convention, 519-614.
- AMERICAN GAS ASSOCIATION,**
Convention reports, 824.
- AMORTIZATION,**
Liberalized tax depreciation, 49, 264, 810, 889, 948, 952, 977, 1029.
- APPEAL AND REVIEW,**
Rate decisions appealed, 177, 899, 973.
- APPORTIONMENT,**
NARUC report on telephone Separations Manual modifications, 890.
- ARIZONA,**
Lighting of homes project successful, 56.
- ATOMIC ENERGY,**
American Bar Association reports concerning, 539-579.
Chart—progress, 332, 334.
Competitive status, 111.
Electric energy generated from, 47, 262.
Fast breeder power reactor, 731.
Federal construction of atomic power plants, 326.
Letter concerning model law for regulation, 245.
NARUC report on atomic energy, 888.
Power from fusion, 732.
Safety inspection of private atomic energy industry, 813.
Tentative approval given atomic power plant, 901.
- ATTORNEYS,**
People's counsel in New Jersey rate cases, 976.
- BILLING,**
Automatic phone toll ticketing requires special handling, 25.
- CALIFORNIA,**
Bond issue measure approved, 57.
- CANADA,**
Comparison of British, Canadian, and American transport rate regulation, 608.
- CAPITAL,**
Judgment factor in cost-of-capital opinion testimony, 669.
NARUC report on debt ratio, 891.

PUBLIC UTILITIES FORTNIGHTLY

CENTRAL & SOUTHWEST CORPORATION,

Per cent of stock held by institutions, 117.

CERTIFICATES,

Pipeline certificate issued gas transmission corporation, 679.

CHAMPERTY,

Champertous contract for rate case instigation, 207.

CHARTS,

Atomic power progress, 332, 334.
Capacity and peak loads 1954-58, 881.
Commercial gas use, 662.
Common stock purchases by various institutions 1940-55, 39.
Electric utility earnings trends, 956.
Gas industry expansion, 664.
Pattern of market ratios, 115.
Rate of return allowed 1950-54 for electric, gas, telephone, and water utilities, 411, 413.
Transit operations and income 1935-54, 491.
Trend of industrial and utility stock prices, 1915-55, 43.
Trends of transit traffic 1954-55, 493.
Trends of utility securities, 1035.
Underground gas storage 1941-54, 955.
Weekly electric output 1953-55, 808.

COLORADO,

Denver gets Colorado natural gas, 129.

COMMISSIONS,

Alternatives to public utility regulation by commissions, 741.
Life cycle of regulatory commissioner, 151.
NARUC convention reports, 887.
NARUC report on progress of regulation, 892.
New commissioner rumored in New York, 58.
New member named to Connecticut commission, 826.
Report on functional status of commissioners, 887.
SEC nomination confirmed, 274.

COMMUNICATIONS,

Air force unveils new communications project, 37, 658, 729, 802, 875.
American Bar Association report on developments in communications law, 521.
FCC files open to Congress, 949.
Radiotelephone paging service, 1031.
Senate investigation of TV-radio licensing, 1030.
State radio communications passed on by FCC, 250.
Uncle Sam—biggest utility customer, 84.
Union communications workers consider effect of automation, 875.
Union holds convention, 109.

COMPETITION,

Air conditioning, 648, 967.

CONGRESS,

Dixon-Yates contract, 32, 173, 404, 502, 751, 945, 1027.
FCC files open to Congress, 949.
Gas producers' exemption bill, 34, 107, 157, 174, 246, 324, 403, 602, 622, 656, 871, 889, 946, 1026.
Hoover Commission investigated, 873.
House leader attacks Air Force contract with telephone company, 658.
Natural gas price legislation, 34.
Power attitude of Iowa representative termed unrealistic, 828.
Power policy of, 821.
Session not required for hurricane emergency, 405.

CONSOLIDATION, MERGER, AND SALE,

City power plant sale approved, 131.
Electric utility merger effort opposed, 280.
Gas merger approved in Washington, 280.
Legislation permitting minority to authorize utility merger veto, 276.
Power company's acquisition of public utility district properties placed on election ballot, 428.
REA loan policies push phone mergers, 179.
Telephone system's proposed merger, 406.
Transfer of telephone systems to municipalities, 328.
Transit purchase urged, 974.
Western Union sells foreign cable service, 177.

CONSTRUCTION AND EQUIPMENT,

Electric utility sues to prevent construction of co-operative's transmission lines, 351.
Gas plant construction approved in Missouri, 975.
Hurricane loss protection, 3.
NARUC report on relocation expenses, 895.
NARUC report on telephone answering devices, 897.
New rural telephone designed, 408.
Pipeline construction certificate granted, 679.
Public utility district seeks to build Columbia river dams, 132.
Relocation of utility facilities, 580, 588, 895.
Videophone exhibited, 407.

CONSUMERS AND PATRONS,

Customers' obligation to pay cost of relocating utility facilities, 588.
Electric utility claims REA customers, 825.
Refund from gas company in New Jersey, 353.

CONTRACTS,

Air Force contracts with telephone company, 37, 658, 729, 802, 875.
Dixon-Yates power contract controversy, 32, 173, 404, 502, 751, 945, 1027.
Gas contract negotiated with Mexican corporation, 680.
Wheeling contracts for utility power, 947.

PUBLIC UTILITIES FORTNIGHTLY

CONTRIBUTIONS,

- Operating expense allowance for, 830.
- Power company contributes to Red Cross, 428.

CONVENTIONS,

- American Bar Association annual convention reports, 519.
- American Gas Association convention, 824.
- NARUC convention, 678, 887, 898.
- Public Utilities Association of the Virginias convention, 750.
- United States Independent Telephone Association convention, 727.

CO-OPERATIVES,

- Accord reached on sale of Clark Hill power to co-operative, 426.
- Corporation papers filed by nonprofit co-ops, 826.
- FPC permit sought by, 274.
- NARUC report on REA loans and service, 894.
- Power made available to electric co-operatives in Georgia, 426.
- Rate reduction given to co-operative electric customers, 976.
- REA loans to, 179, 252, 349, 408, 501, 894, 899.
- Rural plant construction considered, 753.
- Telephone program of REA, 327, 950.
- Utility claims REA customers, 825.

CORPORATIONS,

- Letter approving financial articles, 245.
- Nonprofit co-ops file incorporation papers, 826.
- Power company not permitted to separate itself from parent, 427.

COST OF CAPITAL,

- See Return.

DEBT RATIO,

- Power to adopt hypothetical debt ratio in fixing return allowance, 503.

DEPRECIATION,

- Accelerated amortization program, 49, 264, 810, 889, 948, 952, 977, 1029.

DISCRIMINATION,

- Preference clause discussed in letter, 104.
- Preference denounced at EEI meeting, 55.

DIVIDENDS,

- Pay-out effect on prices of common stocks, 114.
- Pay-out policies in connection with cost of capital, 133, 1006.
- Valuing utilities via stock and debt estimates, 161.

DIXON-YATES,

- Memphis home rule plan as indication of new TVA pattern, 373.
- Power contract controversy, 32, 173, 404, 502, 751, 945, 1027.

DONATIONS,

- Operating expense allowance for, 830.

DOUGLAS, PAUL H.,

- Federal regulation of gas producers essential, 622.

EARNINGS,

- See also Return.
- AT&T reports gains for second quarter, 178.
- Chart—transit operations and income 1935-54, 491.
- Cost of capital—relation to fair rate of return, 1006.
- Electric earnings not excessive in Missouri, 204.
- Methods of calculating utility share earnings, 494.
- NARUC report on operating ratio method of determining earnings deficiency, 892.
- Natural gas earnings, 666.
- Secretary Weeks urges higher utility earnings, 117.
- Table—current yield yardsticks, 953.

ECONOMICS,

- Cost of money, 185, 1006.
- Electric utility in expanding economy, 847.
- Fallacies about utility economics, 961.
- General Electric's new dual-cycle reactor, 330.
- Lets save our economic system, 929.
- Problems and prospects of gas supply, 921.
- Transit aids downtown business, 457.
- Transit operating ratio, 467.
- Utility analysis published recently, 255.

EDUCATION,

- Investment in universities by utilities, 789.
- Joint utility-union university course, 739.
- Teaching good telephone usage, 238.

ELECTRICITY,

- Administration power policies, 821.
- American Bar Association report on law relating to electric utilities, 525.
- Atomic energy use by power companies, 47, 262.
- Chart—capacity and peak loads 1954-58, 881.
- Chart—electric utility earnings trend, 956.
- Chart—pattern of market ratios, 115.
- Chart—rate of return allowed 1950-54, 411, 413.
- Chart—weekly electric output 1953-55, 808.
- Co-operative seeks FPC permit, 274.
- Data on electric utility stocks, 884-885.
- Dividend pay-out's effect on prices of electric utility common stocks, 114.
- Dixon-Yates contract, see Dixon-Yates.
- EEI weekly electric output index revised, 259.
- Electric power in the nation's total power picture, 1022.
- Electric utility statistics and ratios, 116.
- Engineered work standards for utilities, 707.
- Expanding economy in relation to electric utility, 847.
- Expenses of fringe benefits, 418.

PUBLIC UTILITIES FORTNIGHTLY

ELECTRICITY—Cont'd

Farm electric purchases estimated, 972.
 Federal Power or none policy in the Northwest, 745.
 Fees for use of New York city streets increased, 277.
 FPC and EEI raise sights on future power requirements and capacity, 1033.
 General Electric's new dual-cycle boiling reactor, 330.
 Golden anniversary—Electric Bond and Share, 254.
 Hell's Canyon dam construction, 246, 323, 341, 724, 899.
 Highlights of the EEI convention, 120.
 Home lighting workshop succeeds, 56.
 Hoover report on public power, 33, 105.
 Hurricane loss protection, 3.
 Hydroelectric project plan in Vermont, 205.
 Legislation providing for study of underground construction approved, 351.
 Municipal electric plant considered, 278.
 Northwest power pool, 855.
 Partnership agreement may affect dam construction, 280.
 Power agreement in doubt in Nebraska, 828.
 Power attitude of Iowa representative termed unrealistic, 828.
 Power companies consider change of service areas, 827.
 Power company's acquisition of public utility district's properties up to voters, 428.
 Power figures questioned in letter to editor, 723.
 Power output estimated in report on hydroelectric project, 206.
 Power policy inquiry, 655, 751, 797.
 Preference clause discussed in letter, 104.
 Private power and Niagara, 198.
 Private power wins voters' approval in Washington, 902, 976, 1042.
 Publications concerning the electric industry, 749.
 Public power disputes, 353.
 Public power district reorganization legislation approved, 57.
 Public power plant—conversion to private enterprise, 995.
 Public relations, 715.
 Rate increase approved in New York, 354.
 Rate increase in Ohio, 902.
 Rate reductions in Louisiana, 827.
 Rate refund in Maryland, 57.
 Rates cut in Texas, 754.
 Rural electric co-operatives get Clark Hill power, 426.
 Rural Electrification Administrator challenges Hoover report, 726.
 Rural power districts consider plant construction, 753.
 Sale of city power plant approved, 131.
 State power pool plan disclosed, 279.
 Steam generating plants of TVA questioned, 189.
 Surveys—barometers of good will, 95.

ELECTRICITY—Cont'd

Table—data on electric utility stocks, 44-46, 186-188, 336, 337, 495-497, 736-738, 1039-1041.
 Table—electric utility statistics and ratios, 258.
 Table—ten electric utility growth stocks, 117.
 Tax exemptions for government power businesses denounced, 55.
 Transmission of St. Lawrence power considered, 204.
 Unfair practices in electric power disposal, 773.
 Utilities lose suit to block loans to co-operatives, 899.
 Utility claims REA customers, 825.
 Utility expansion plans, 881.
 Wheeling contracts for utility power, 947.

EMPLOYEES,

Cost of fringe benefits to electric companies, 418.
 Role in public relations, 13.
 Selecting future management, 386.
 Wage increases *versus* lagging productivity, 424.

ESCALATOR CLAUSES,

NARUC report concerning, 894.

EVIDENCE,

Cost-of-capital opinion testimony, 669.

EXPENSES,

Charitable contributions as operating expenses, 329, 830.
 Economics of transit operating ratio, 467.
 Engineered work standards for utilities, 707.
 Fair field price for gas produced by utility, 1051.
 Fuel costs in different areas, 807.
 License taxes on telephone company, 352.
 NARUC report on relocation expenses, 895.
 Power company makes contribution to Red Cross for flood relief, 428.
 Rapid depreciation problem under new tax law, 49, 264, 810, 889, 948, 952, 977, 1029.
 Relocation of utility facilities, 580, 585, 588, 895.
 Special municipal levies, distribution of burden, 755.
 Storm damage cost, 3, 429.
 Tax collector—utilities' silent partner, 299.

FEDERAL GOVERNMENT,

Challenge to lawyers—government regulation of business, 305.
 Partnership policy for regional development, 77.
 Regulation of gas producers, 34, 107, 157, 174, 246, 324, 403, 602, 622, 656, 871, 889, 946, 1026.
 TVA should remain under congressional control, 699.
 Uncle Sam—biggest utility customer, 84.
 Unfair practices in electric power disposal, 773.

PUBLIC UTILITIES FORTNIGHTLY

FEDERAL POWER COMMISSION,

- Gas producer regulation, 34, 107, 157, 174, 246, 324, 403, 602, 622, 656, 871, 889, 946, 1026.
- Sights raised on future power requirements and capacity, 1033.
- Statistical report omission assailed, 972.

FIELD PRICE,

- Fair field price for gas produced by utility, 1051.

FINANCES,

- Bond issue approved in California, 57.
- Bond issue approved in Colorado, 350.
- Bond issue authorized for power project, 825.
- Cash flow statement, 256.
- Cost of money rates, 185, 1006.
- Decline in new financing, 804.
- Independent financing for Tennessee Valley Authority, 248.
- Investment in universities by utilities, 789.
- Let's save our economic system, 929.
- Letter approving financial articles, 245.
- Methods of calculating financial ratios, 735.
- October utility financing, 883.
- Putting the brakes on borrowing, 414.
- REA loans to co-operatives, 179, 252, 349, 408, 501, 894, 899.
- Referendum as to method of financing municipal power plant, 131.
- Revenue bond election planned in California, 350.
- Revenue bond financing found feasible, 825.
- South Carolina public service authority investigation, 225.
- Table—July-August utility financing, 494.
- Table—June utility financing, 113.
- Table—nine months' utility financing, 734.
- Table—November utility financing, 1036.
- Table—September utility financing, 807.
- Table—utility financing in second quarter, 182.
- TVA should remain under congressional control, 699.
- Utilities lose suit to block REA loans, 899.

FLOODS,

- Flood and wind damage costs, 429.

FLORIDA,

- Atomic energy use by Florida utilities, 47.
- Phenomenal phone progress, 315.

FRANCHISES,

- Electric company to pay New York city more street use fees, 277.
- License taxes on telephone company, 352.

FULLBRIGHT COMMITTEE,

- Report stresses institutional buying of stocks, 38.

GAS,

- Air conditioning—coveted prize, 648.
- American Bar Association report on developments in interstate sale and transportation of natural gas, 528.
- American Gas Association convention, 824.

GAS—Cont'd

- Canadian gas in Pacific Northwest, 1028.
- Chart—commercial gas use, 662.
- Chart—gas industry expansion, 664.
- Charts—rate of return allowed 1950-54, 411, 413.
- Chart—underground gas storage 1941-54, 955.
- Construction expenditures continue at high level, 253.
- Construction of gas plant approved in Missouri, 975.
- Court turns down gas plan in Idaho, 900.
- Denver gets Colorado natural gas, 129.
- Engineered work standards for utilities, 707.
- Fair field price for gas produced by utility, 1051.
- Future in air conditioning seen, 882.
- Interstate pipeline company as a natural gas producer, 742.
- Liquefied petroleum gas agency legalized, 130.
- Long-term outlook for natural gas, 180.
- Major natural gas discovery reported, 680.
- Mexican gas contracted for by Texas Company, 680.
- Municipal ownership of gas facilities disapproved, 276.
- NARUC features gas panel, 678.
- NARUC report on escalator clauses, 894.
- NARUC report on FPC regulation, 889.
- Nation's youngest old industry, 642.
- Natural gas still best buy, 635.
- Notes on recent publications concerning gas industry, 677, 749.
- Optimism—industry's keynote, 617.
- Phillips Petroleum Case, letter concerning, 102.
- Pipeline sale of boiler fuel direct to industry, 818.
- Price legislation on natural gas, 34.
- Problems and prospects of gas supply, 921.
- Producer exemption legislation, 34, 107, 157, 174, 246, 324, 403, 602, 622, 656, 871, 889, 946, 1026.
- Production decline indicated, 725.
- Public ownership worries gas industry, 805.
- Rapid development of underground gas storage, 954.
- Rate increase authorized in Alabama, 275.
- Rate increase authorized in Michigan, 427.
- Rate increase denied in Alabama, 201.
- Rate increase in Arizona, 349.
- Rate increase requested in Pennsylvania, 829.
- Rate increase upheld by court, 827.
- Rate reduction in New York, 277, 680.
- Rate reduction ordered in Wisconsin, 58.
- Refund checks mailed by gas company, 202.
- Refunds ordered after invalidation of state gathering tax, 754.
- Removal of portion of Little Big Inch system authorized, 129.
- Reparation paid to state in Michigan, 974.
- Reparations ordered in Kentucky, 974.
- Space heating extended in Michigan, 277.
- Successful public relations, 715.
- Surveys—barometers of good will, 95.

PUBLIC UTILITIES FORTNIGHTLY

GAS—Cont'd

- Tables—data on gas utility stocks, 118, 119, 260, 261, 416, 417, 666-668, 810-812, 958-960.
- Trends affecting industry, 660.
- Underground storage, 131, 975.
- Waste of natural gas halted, 679.

GREAT BRITAIN,

- Comparison of British, Canadian, and American transport rate regulation, 608.
- Telephone rates increased, 877.

HANDWRITING,

- Utility losses due to bad handwriting, 127.

HEARINGS,

- Power trust, 655.

HIGHWAYS,

- Municipalities, effect of national highway program, 585.
- Relocation expenses, 580, 585, 588, 895.

HISTORY,

- Electric power in the nation's total power picture, 1022.
- Electric utility in expanding economy, 847.
- Florida's phenomenal phone progress, 315.
- Government regulation of business—challenge to lawyers, 305.
- Successful public relations, 715.
- Uncle Sam—biggest utility customer, 84.
- Unfair practices in electric power disposal, 773.

HOOVER COMMISSION,

- Congressional investigations committee hearings, 873.
- Intergovernmental Relations Report, 176.
- Paper work elimination proposal, 816.
- Public power report, 33, 105.
- Recommendations of Hoover Commission, 325.
- Rural Electrification Administration Administrator challenges report, 726.
- Unfair practices in electric power disposal, 773.

HURRICANES,

- Storm damage cost, 3, 429.

IDAHO,

- Three dam permits urged, 129.

ILLINOIS,

- Utility tax bill, 130, 201.

INDUSTRY,

- Air conditioning, 648, 882, 967.
- Electric power in the nation's total power picture, 1022.
- Gas—nation's youngest old industry, 642.
- New censorship for the relations man, 863.
- Optimism—gas industry's keynote, 617.
- Public relations—invisible giant, 396.
- Selecting future management, 386.
- Transit and downtown business, 457, 941.
- Transit industry rehabilitation, 447.
- Zoning and the utilities, 231.

INSURANCE,

- Hurricane loss protection, 3.

INTEGRATED SYSTEM,

- Gas rates for, 681.

INTERCORPORATE RELATIONS,

- Power company denied right to separate from parent, 427.

INTERSTATE COMMERCE.

- Competitive rate making under Interstate Commerce Act, 595.

LABOR,

- Communications workers consider effect of automation, 875.
- Cost of fringe benefits, 418.
- Employee's rôle in public relations, 13.
- Engineered work standards for utilities, 707.
- Joint utility-union university course, 739.
- Legislation to weaken antistrike law vetoed, 203.
- Limited recognition to unions, 278.
- State mediation machinery not available in utility labor dispute, 351.
- Transit strike ends in District of Columbia, 350.
- Union blocks city police phone connection, 803.
- Union studies public ownership, 659.
- Wage increases *versus* lagging productivity, 424.

LAWYERS,

- Government regulation of business a challenge, 305.

LEGISLATION,

- Adjournment of Congress snags legislation, 247.
- American Bar Association report on communications law, 521.
- American Bar Association report on law relating to electric utilities, 525.
- Bill authorizing disposal of telephone facilities in atomic cities, 328.
- Bill introduced for federal construction of atomic power plant, 326.
- Dixon-Yates power contract, see Dixon-Yates.
- Gas producer exemption legislation, 34, 107, 157, 174, 246, 324, 403, 602, 622, 656, 871, 889, 946, 1026.
- Gas storage bill presented, 131.
- Governor's veto of bill affecting zoning sustained, 205.
- Letter concerning atomic power model law, 245.
- Liberalized depreciation accounting, 49, 264, 810, 889, 948, 952, 977, 1029.
- Merger bill vetoed in Connecticut, 276.
- NARUC report or proposed amendments to Federal Power Act, 893.
- Public power reorganization legislation approved, 57.
- Public utility tax bill passed, 58, 130, 201.

PUBLIC UTILITIES FORTNIGHTLY

LEGISLATION—Cont'd

- Public works bill compromise, 175.
- South Carolina public service authority investigation, 225.
- Tax law attacked in court, 826.
- Telephone hog bill vetoed, 354.
- Underground electric and telephone line legislation, 351.

MANAGEMENT

- Employee's rôle in public relations, 13.
- New censorship for the relations man, 863.
- Selecting future management, 386.

MARYLAND

- Electric rate refund, 57.

MERCHANDISING

- Future in air conditioning seen for gas utilities, 882.
- Optimism—gas industry's keynote, 617.

MONOPOLY AND COMPETITION

- Air-conditioning industry's competition, 648, 967.
- Electric utility sues to prevent competition, 351.
- Power trust hearings, 655.
- Utility claims REA Co-op's customers, 825.

MUNICIPALITIES

- City electric plant eyed in Tennessee, 278.
- City-owned gas facilities disallowed, 276.
- Financing of municipal power plant subject to referendum, 131.
- National highway program's effect upon municipalities, 585.
- Power plant construction by city of Memphis opposed, 502.
- Special municipal levies, distribution of burden, 755.
- Tax equivalent regulations clarified for municipal utilities, 206.

REGULATION,

- Alternatives to public utility regulation by commissions, 741.

PUBLIC UTILITIES FORTNIGHTLY

REGULATION—Cont'd

Commission undertakes to regulate movers in Connecticut, 752.
Electric utility in expanding economy, 847.
Gas producers, 34, 107, 157, 174, 246, 324, 403, 602, 622, 656, 871, 889, 946, 1026.
Government regulation of business—challenge to lawyers, 305.
Implications of accelerated depreciation, 952.
Let's save our economic system, 929.
Life cycle of a regulatory commissioner, 151.
NARUC report on progress of regulation, 892.
NARUC report on regulatory lag, 895.
Northwest power pool, 855.
Problems and prospects of gas supply, 921.
Progress of, 59, 133, 207, 281, 355, 429, 503, 681, 755, 830, 903, 977, 1051.
Senate investigation of radio-television regulation, 1030.
Table—summary of recent rate case opinions, by states, 415.
Voters reject regulatory plan in New Mexico, 679.

REGULATORY TRENDS,

Accelerated depreciation under new tax law, 977.
Champtorous contracts—parties to rate cases, 207.
City license fees and taxes—local or general rate burden, 755.
Consolidated tax returns of related companies as bearing on deduction in rate case, 59.
Contributions as operating expense, 830.
Cost of capital—surplus and dividend requirements above bare cost, 133.
Fair field price for company-produced gas, 1051.
Gas rates for integrated systems, 681.
Hypothetical debt ratio in using capital cost, 503.
Service adequacy—enforcement by penalties and rate adjustment, 903.
Stock option plans, 281.
Storm and flood damage costs, 429.
Tax accruals as offset to working capital, 355.

REPARATION,

Electric rate refund in Maryland, 57.
Gas customers get refunds in Kentucky, 974.
Gas refund in New Jersey, 353.
Kentucky gas rate refund made, 202.
Refund hearing set in Michigan, 351.
Refund of gas revenues ordered in Wisconsin, 58.
Refunds ordered after invalidation of state-gathering tax, 754.
State gets gas refund in Michigan, 974.

RETURN,

Allowances in utility rate cases, 409.
Charts—rate of return allowed 1950-54 for electric, gas, telephone, and water utilities, 411, 413.

RETURN—Cont'd

Consolidated tax return benefits, 59.
Cost of capital, 133, 503, 669, 1006.
Economics of transit operating ratio, 467.
Electric earnings not excessive in Missouri, 204.
Higher earnings for utilities, 35.
Hypothetical debt ratio in fixing cost of capital, 503.
Let's save our economic system, 929.
NARUC report on debt ratio, 891.
NARUC report on operating ratio method of determining earnings deficiency, 892.
NARUC report on regulatory lag, 895.
Surplus provision in considering cost of capital, 133.

RURAL ELECTRIFICATION ADMINISTRATION,

Loans by REA to co-operatives, 179, 252, 349, 408, 501, 894, 899.
Rural telephone program, 950.
Telephone program recommendations released, 327.

ST. LAWRENCE,

Power controversy continues, 800.

SALARIES AND WAGES,

Cost of fringe benefits to electric companies, 418.
Wage increases *versus* lagging productivity, 424.

SAN ANTONIO, TEXAS,

Public power plant—conversion to private enterprise, 995.

SANTEE-COOPER PROJECT,

South Carolina public service authority investigation, 225.
